**Presenting .....**

Jessica Stubbs, Director  
Kidsway Teaching Solutions

Jessica Stubbs first got her start in child development working in a school-age program and spent 10 years teaching toddlers and two year olds. She worked her way up through being an educational coordinator, assistant director and director. She attended the University of North Texas where she received her Bachelor's degree in Child Development and her Master's degree in Training and Development. She became a master level registered trainer in 2006 and trains with enthusiasm and passion. Her goal has always been to help educators get the tools they need to become amazing teachers and administrators. Her participants walk away rejuvenated and feeling like they spent their time productively.

**Box lunch will be provided.**
