11. Topic Subject (*Educational Presentations & Public Speaking*)

Subjects in the educational presentation categories should address emerging or current issues in each of the contest areas. Some contests provide a suggested list of topics that the educational presentation may cover along with a resource list. Senior contestants are encouraged to research these emerging and/or current issues to develop presentations.

12. Accuracy of Information/Resources (*Educational Presentations & Public Speaking*)

With the computer and internet being used heavily in educational presentations, 4-H members must know the difference between research and nonresearched based information. Contestants are required to use information that is factual and can be supported through adequate documentation. Examples of such websites are federal, state, and local governments, independent research sites, and Texas A&M AgriLife Extension Service websites. Internet information that is questionable includes personal documentation sites, chat rooms, message boards, etc. 4-H members must prepare a list of references (i.e. bibliography, works cited) for their presentation.

13. Subject Matter (*Educational Presentations & Public Speaking*)

The skills and knowledge used in any 4-H contest should be the result of experiences in a project in which the member has participated. A presentation must relate to the contest entered, contain current information, and not be better suited for another contest. It should also be appropriate for the member’s age and experience. Appropriate credit must be given for references used.

14. **Time Limits**

Educational Presentations: Contestants are permitted twelve (12) minutes for each Educational Presentation. An additional nine (9) minutes will be provided for on-stage arrangements and cleanup in connection with the presentation. A penalty of two (2) points per minute or partial minute overtime will be deducted from the final score. Following the presentation, there may be up to five (5) minutes of question and answer period by the judge. Adults are permitted to assist the 4-H member with the on-stage arrangement and cleanup in connection with the presentation.

Public Speaking: a five to seven (5-9) minute talk suitable as a platform speech or radio broadcast.

4-H Talent Showcase: a six (6) minute presentation with four (4) minutes total for set up and take down.

15. **Visuals**

In Educational Presentation categories, the use of charts, photographs, computer presentations, graphics/programs, and other visual materials are permitted. Visuals should contribute to the presentation. Each presentation is an example of the participant's ability to communicate an idea. No firearms, weapons, fireworks, open flamed burners, live ammunition, or live animals are allowed to be used by a contestant in any Roundup contest. However, posters and pictures of such items are allowed and encouraged. We encourage all visuals to be appealing to the audience and easily read/seen by the audience. Choose your visual taking that into consideration.

Visual aids and props may not be used in Public Speaking.

16. **Video, Audio, and Display Equipment** (*Educational Presentations*)

The contest officials will provide laptops, extension cords and projectors. Youth should have all presentations in some form of Microsoft Office (PowerPoint, Word, or Excel). All fonts used must be true type. These fonts specifically include Arial and Times New Roman. If contestants decide to use any other program or fonts, they will be responsible for bringing **all** equipment that is compatible with their presentation.

The contest superintendent will bring a standing easel. Contestants are responsible for all other needed materials and equipment.

Take into consideration that Internet connectivity may not be available. Be prepared to incorporate any video or other graphics that may require Internet to be directly embedded in the presentation. Make sure the image/ video is included as part of the thumb drive or method used to provide your presentation to the contest Superintendent/Coordinator.

17. **Judges Gifts/Handouts**

Gifts of any kind may not be presented to the judges in any contest. Handout may be made available to the entire audience.

18. **Judges Questions on Educational Presentations**

Judges may ask contestants questions at the end of their presentation. Following the presentation, there may be up to 5 minutes of question-and-answer period by the judges. Only official judges and superintendents may ask questions of the contestants.
