Youth Range Workshop

JUNE 16-21, 2024

Texas Tech University Center at Junction, TX

Priority acceptance will be given to students that apply by April 15th.

Join other high school students across Texas for a fun week with rangeland and natural resource experts!

Students will gain hands-on experience including:

Plant ID & Collection

Students will learn how to identify range plants and start their own plant collections!

Field Trips to Local Ranches

We've partnered with local land stewards to give students boots-on-the-ground experience to emphasize learning objectives

Range & Wildlife Habitat Management

Students will be exposed to the fundamentals of proper grazing management and forage preferences of livestock and wildlife

& Much More!

Other topics include soil health, fire ecology & prescribed burning, carbon cycle relationships, brush management, rainfall effectiveness, and rangeland health evaluation

Students must be 14-18 years old and have completed 8th grade to attend.

Cost is \$500 per student and includes all meals, lodging, and educational materials.

Check with local Soil and Water Conservation Districts, ranches, or businesses for sponsorship opportunities!
